

ATTENTION: Applicant

Thank you for your interest in a Fat Bastard Burrito Co. franchise. To begin the franchise application process, please complete and return this form to the attention of the Franchise Department. This information will assist us in establishing your suitability to our criteria for the selection of a new franchisee. If you have more than one applicant, for example if you have a business partner or your spouse is planning on running the business with you, please complete one form for each applicant.

The submission and acceptance of this form should not be construed as an approval or a future guarantee of becoming a Fat Bastard Burrito Company franchisee. To become an approved franchisee, there is a formal approval process that is undertaken with applicants who have been short-listed and pre-qualified at this stage. Our qualification criterion takes many elements into consideration, so please complete the questionnaire as fully as possible.

When awarding a new franchise, we select the most qualified applicants who best match our unique business concept. At the present time, we are actively recruiting for new franchisees in Ontario, but may consider applications for other areas across Canada on a case-by-case basis. By submitting this form, it is with the full understanding that you are interested in becoming a franchisee at the earliest opportunity. Accordingly, we will respond to your questionnaire within five days of receipt.

A full franchise package is provided only when a candidate has been pre-qualified as having met our strict franchisee criteria. This includes our Franchise Disclosure Document, which provides full information on our company, our franchise opportunity and other sensitive and timely details.

We prefer applicants that are seeking locations where they currently reside or where they currently have a strong connection to the community through family, business or friends, as this improves the chances of long-term success for the franchisee. We also ask applicants to be as specific as possible when it comes to requesting territories, noting that indicating vague or non-specific locations does not help the overall process and indeed may be viewed negatively.

Furthermore, incomplete questionnaires will be returned.

Thank you for your interest in the Fat Bastard Burrito Co.
